Sex is the fuel that keeps love burning hot. Burn baby burn.

Use these coupons on complete strangers or give them to your lover, one that you have very strong feelings for already, nothing in between.

Pick a time and place where the two of you can spend some time looking through the ideas presented here. Some ideas you might giggle at, some you will toss out as "not for you," others you will pursue with pure lust. Enjoy them. Pick one out, and give it to your lover. Or, put the coupon in an "I Love You" card, and leave it by their morning coffee.

Great sex is beautiful -- two lovers creating their own music. Sometimes that music is soft and sweet, other times it is loud and rough. I like it rough.

How do you like it?

Enjoy!

Lap Dancing

Tonight's the night you dance for me. Exotic dancers get me really excited and hot. I want you to be my slut.

Put on some "bump and grind" music.

I take a sip of my drink and I tell you I'm ready for the show.

You start by standing in front of me, and slowly swaying your hips. Tease me with that sexual grind that only a true slut possesses.

Once you have my attention, run your hands through your hair and down your beautiful body. Cup your breasts and turn from me. Rip your shirt off and let it fall to the floor.

Remove your bra as you dance for me. Turn around with your hands covering your tits and make it obvious that as you grind you are playing with them for me.

Move your hands and glide them down your stomach towards your crotch. I want to hear you whimper as you remove your pants slowly and run your hands over your satin covered pussy.

Rub your fingers into the material as you fall to your knees and spread yourself open. Pull your panties to one side and rock against your hand to the beat of the music.

Continued ...

Let your whimpers of joy join the music as you fuck yourself for my amusement. Look at my hard cock that continues to grow as I watch you roll over so that you can crawl to me.

Slide your body up mine until you are straddling me, rock against my dick to the beat of the music. I grab your hips and rock you faster.

Clothing separates us but still I will be able to feel your tight little hole teasing me. You whisper in my ear, as I feel the wetness from your panties against my jeans, "I love you sweetie."

The song ends; your hips slow -- your body stops moving...
